

# **SMOKE-FREE ENVIRONMENT**

---

At Ivanhoé Cambridge, we are committed to providing our tenants with the best possible air quality and to complying with provincial tobacco control legislation.

Both outside and inside the property measures have been adopted and must be followed in respect to smoke-free areas to ensure the comfort of the building's users.

The consumption of cannabis by any means (including smoking and vaping) is not permitted anywhere on the property, both inside and outdoors.

For more information on the measures concerning the use, accessibility and promotion of tobacco products, visit [www.msss.gouv.qc.ca/loi-tabac](http://www.msss.gouv.qc.ca/loi-tabac) (available in French only).
